

**We are a learning community where every student—of every race, socioeconomic status, home language, and ability—prepares to thrive in college, career, and life. Together, we create a more just and kind world.**

# OUR FIVE CORE VALUES

Each is as important to us as the next—these core values guide both our strategic planning and our daily choices.

**LEAD FOR EQUITY**  
We challenge ourselves and each other to interrupt inequities and build equitable alternatives.

**CHOOSE JOY**  
We find, bring, and share joy in our work every day. We practice gratitude, celebrate wins, and offer praise.

**ACHIEVE EXCELLENCE**  
We deliver high quality work every day. We set ambitious goals, embrace challenges, and hold ourselves and each other to high standards.

**SUCCEED TOGETHER**  
We value every member of our community and treat each other with kindness and care. We build meaningful relationships with students, families, and each other. We achieve more through collaboration and teamwork.

**OWN OUR LEARNING**  
We model a growth mindset for our students. We own our actions, mistakes, and learning. We continually look for ways to improve and produce high quality work.
